Attorneys for Appellant ACQIS LLC

Pursuant to Federal Rule of Appellate Procedure 26(b) and Federal Circuit Rule 26(b), Appellant ACQIS LLC hereby moves the Court for a 60-day extension of time within which to file ACQIS LLC's initial brief on appeal ("Opening Brief"), thereby extending the due date from Monday, February 1, 2016 to Friday, April 1, 2016. Attorneys for Appellees Hewlett-Packard Company and International Business Machines Corporation do not oppose this motion. This is the Appellant's first request for an extension to file its Opening Brief.

The extension of time is necessary because the current due date of the Opening Brief is shortly before counsel for Appellant has a brief due before this Court in another case. Counsel for Appellant also has deadlines associated with an upcoming trial in another case around the current due date. Counsel for Appellant also has existing travel plans associated with the intervening holidays. Appellant requests additional time due to the deadlines associated with its counsel's upcoming appeal and trial deadlines and holiday travel plans. The reasons for this request for an extension are set forth more fully in the attached declaration of Britton F. Davis.

WHEREFORE, Appellant respectfully requests that the time within which it must file its Opening Brief be extended by 60 days up to and including April 1, 2016.

Dated: December 21, 2015

Respectfully submitted,

/s/ Britton F. Davis
